RECOMMENDATION C. "The AD/O should require that adequate provision be made for the retention in the [REDACTED] and Field Offices of Contact Division of copies of Fitness Reports. Pertinent reviews of these reports made by Headquarters Division Chiefs or the Office Career Service Board should be sent to the various Field components for information and guidance purposes."

OO COMMENT: We concur in this Recommendation and believe it should be approved by the DCI. As a matter of fact, it has already been implemented both in [REDACTED] and in Contact Division.
